

NetBSD

Maintainer Needed

We need YOU to maintain this port of FreeSWITCH. Please contact one of the FreeSWITCH core developers on Freenode IRC channel #freeswitch or the freeswitch-users@lists.freeswitch.org mailing list to help them keep the code current for this operating system.

- 1 [Introduction](#)
- 2 [Installation](#)

Introduction

This is part of the [Installation](#) documentation which you should review first. It provides notes unique to NetBSD. Tested on NetBSD 6.1.4 (amd64)

Installation

```
export PKG_PATH=http://ftp.netbsd.org/pub/pkgsrc/packages/NetBSD/`uname -m`/`uname -r`/All/
pkg_add -v git automake autoconf libtool gmake jpeg pkg-config pcre speex openssl ncurses sqlite3 ldns
mkdir ~/src
cd ~/src
git clone https://stash.freeswitch.org/scm/fs/freeswitch.git
cd freeswitch.git
./bootstrap.sh -j
./configure -C
gmake
gmake install cd-sounds-install cd-moh-install
```
