

Record FSV

About

Record an FSV file.

Usage

```
<action application="record_fsv" data="file.fsv" />
```

Before you can actually start recording your video, you need to edit vars.xml to include video codecs

```
<X-PRE-PROCESS cmd="set" data="global_codec_prefs=G7221@32000h,G7221@16000h,G722,PCMU,PCMA,GSM,H263,H263-1998" />
```
